INSTRUCTIONS TO CANDIDATES

ANSWER QUESTION ONE (COMPULSORY) AND ANY OTHER TWO QUESTIONS

QUESTION ONE (30 MARKS)

CASE STUDY: MODERN LOGISTICS

Modern logistics is one of the companies that has been operating in Kenya since 1990. It has been providing logistics services to individuals and organizations. Due to changing consumer needs and wants, the management of the company has replaced product philosophy with marketing philosophy. The company has automated their services and extended its services to international markets. Currently, the company is serving over 760,000 customers in 13 countries. Going forward, the company management is planning to invest more financial resources in modern air cargo services to enhance customer experience.

Required:

- a) In reference with the case study, discuss benefits attributed to marketing philosophy which is being used by Modern Logistics. (6 Marks)
- b) Discuss advantages enjoyed by modern logistics company for venturing into international markets. (6 Marks)
