QUESTION THREE (20 MARKS)

The shares of Usilo Limited, a private company are held by Mary, James and John. Mary and James hold 90% of the company's shares. However, they feel that the company is in need of further capital but due to squabbles, they are not willing to inject additional funds as long as John still holds some shares in the company. Further, Mary and James believe that John has another business which is competing with that of Usilo Limited. To resolve the problems, Mary, James and John propose to alter the company's articles of association by adding two new articles.

The first article will enable the shareholders of 90% of the company's shares to compulsorily acquire the shares of the minority shareholder. The second articles will require any shareholder who carries on competing business with the company's business to transfer his shares to the nominee of the directors.

John is aggrieved by the proposed alterations and comes to you for advise.

- a) Advise John on the validity of the proposed alterations to the articles. (8 Marks)
